

HAIR REMOVAL

...by **ELECTROLYSIS**

Permanent dissolution of hair follicles by exposure to an electric current.

Price

Shin: 1650US\$/7 sessions

Armpit: 700US\$/7 sessions

Other body parts: 130USD/hr*

**Needle is not included*

Procedure

- Topical anesthesia may be applied (requires 45 minutes-1 hour to take effect)
- A tiny probe is inserted into the hair follicle & a small amount of electrical current is introduced to dissolve the hair and surrounding tissues.

Duration: 15 minutes to 1 hour

Post Care

- Apply cold pack over the treated area
- Do not use an antiseptic solution to clean the area
- No deodorant, cosmetics, creams or perfumes should be applied to the treated area for 1-2 days
- Avoid rubbing or using a sponge on the treated area for 1 week
- Avoid sun exposure

Note:

- Number of treatment sessions will depend on density of hair growth.
- Interval between treatment sessions is 1 to 3 months.

HAIR REMOVAL

...by COOL GLIDE LASER

Permanent hair removal with laser.

Price:

| | |

| Arms: | 360 US\$/session; 1,050 US\$/3 sessions |
| Armpit: | 170 US\$/session; 450 US\$/3 sessions |
| Chest: | 240 US\$/session; 600 US\$/3 sessions |
| Back: | 600 US\$/session; 1,650 US\$/3 sessions |
| Bikini Line: | 220 US\$/session; 360 US\$/3 sessions |
| Pubic Area: | 350 US\$/session; 600 US\$/3 sessions |
| Thighs: | 450 US\$/session; 1,200 US\$/3 sessions |
| Shin (both legs): | 360 US\$/session; 1,500 US\$/3 sessions |
| Legs: | 600 US\$/session; 1,650 US\$/3 sessions |

Procedure:

- Topical anesthesia may be applied (requires 45 minutes-1 hour to take effect)
- The laser's cold handpiece is placed gently on the skin & glides along as pulses of light are delivered
- The light damages the hair follicles

Duration:

- Back: 30 minutes-3 hours
- Underarms: 4-10 minutes
- Bikini Line: 10-15 minutes
- Legs: 2-3 hours

Interval Between Sessions:

- 4-6 weeks - when new hair becomes longer

Post- Care:

- Apply cold pack for the 1st 24 hrs
- Pat dry the area after washing; do not rub
- Avoid sun exposure

Note:

- 2-3 sessions are usually necessary to completely remove hair from the area – 5-8 sessions at most.
